

THE FUND FOR PARK AVENUE

April 2013

Dear Friends,

The tulips will be blooming soon on the Park Avenue malls and as you have probably guessed, they will be red this year! The color has caught the eyes of the producers of the hit Broadway musical "ANNIE" and while Daddy Warbucks hasn't offered to pick up the tab for the bulbs, The Fund is honored to count the cast of "ANNIE" among our supporters!

For a chance to win four tickets to this wonderful show, visit The Fund's Facebook page and "like" and "share" it with your friends. By doing so, you will be automatically entered in the contest. The winner will be selected and announced via Facebook on April 19, 2013.

Scully & Scully is also continuing their support of The Fund this spring and will be donating 10% of the proceeds of purchases made on April 19th and 20th. Be sure to mention The Fund when shopping! Scully & Scully is located at 504 Park Avenue @ 59th Street.

On the malls now is an exhibition of ten sculptures created by Cuban artist, Alexandre Arrechea entitled "NO LIMIT." Each piece represents one of New York's most prominent buildings and they can be seen between 52nd and 67th Streets through June 9th.

Using contributions from the community, The Fund for Park Avenue is responsible for planting and maintaining the trees and flowers on the Park Avenue malls from 54th to 86th Streets. For more information or to make an online contribution, visit www.fundforparkavenue.org
